Educator is needed!

We are looking for a confidence-giving superhero (m/f/d), never resting from singing songs, answering questions, pointing the way, smiling infectious, and reading books, with positive attitude towards life. You know how to motivate and plant with a lot of heart the seeds of knowledge, that will grow for a lifetime? Then your right place is with us.

Our values:

We see mutual respect, openness, respect, self-reflection, teamwork and the development of empathy, tolerance and social values as the cornerstones of our actions. Global thinking and awareness of sustainability also guide our actions.

You should have these qualifications:

- Open-mindedness for new things and professional skills
- Enjoying working with children and are interested in our foreign language concept
- Ability to work in a team, resilience, flexibility
- Good command of English

We offer:

- A secure and permanent job
- Good and fair remuneration, 30 days of vacation per year
- Excellent technical equipment
- Working in multinational teams
- The possibility to implement pedagogical work independently and creatively
