BI-MONTHLY NEWSLETTER

September & October 2025

SIS Red Sea Opens & Grade 10 & 11 Continue in Germany

We are delighted to share the opening of **SIS Red Sea** on **September 14th**, extending our SIS family even further!

The school currently operates from **Pre-K to Grade 9**, while **20 students** from Grade 10 and Grade 11 continuing their academic journey in Germany at one of SIS schools, **Internationale Oberschule Meerane (IOM)**, where they are perusing their **Abitur**. This is a major milestone for our SIS network, and we look forward to many more achievements together!

Campus Update: Opening of the New Indoor Cafeteria and re-location of the PC room

We are happy to announce the opening of the new indoor cafeteria on September 29th, which is the first part of our school's third phase expansion! This welcoming space now serves our *Grundschule* and *Gymnasium* students, offering a bright and comfortable area for lunch and social time together.

Our PC room has been relocated to the first floor, offering a more spacious and comfortable learning environment.

6th of October Victory Day

In honor of Egypt's 6th of October Victory, students joined creative activities and worked together to create one large Egyptian flag. It was a meaningful day that brought our school community together in honoring our country.

Our SIS Family Is Growing!

Our SIS community continues to grow as we welcome over 80 new families. Each new student added their colorful handprint to our SIS Family Tree, a beautiful symbol of belonging, diversity, and unity. We are excited to watch our family continue to grow!

The start of our „After School Activities“ Program

Our **“After-School Activities Program”** started on October 20th and is now in full swing! Our **“Grundschule”** and **“Gymnasium”** students are exploring their talents in: Coding Club, Jewelry Making, Storytelling, Theatre, Science Club, Math Club, Football, Cooking Club, Reading Club, Yoga & Dance Club and more! We love seeing them learn new skills, build passions, and shine beyond the classroom.

Coffee Talk with our Specialists

This month, parents from Pre-K to Grade 2 were invited to our morning Coffee Talks, a wonderful opportunity to connect and share experiences.

• **Frau Shahed Al-Qaisi**, our Occupational Therapist, who shared valuable insights on the developmental stages of children in a specific age group and how parents can effectively support their growth”

• **Frau Sherina Beha**, our Social Worker, led an engaging discussion on personal space and setting boundaries to promote healthy social and emotional development.

Annual Photo Shoot

This month, our annual photo shoot beautifully captured joyful moments across the school. We are excited to see the final photos and look forward to sharing them with you soon.

SIS Language Center: German Courses for Parents

Our German courses for parents began in September and will

offer classes for different levels.

For more information about the German courses for

parents, please contact:

October field trips

From overnight camping trips and farm visits to exploring a chocolate factory, learning about the recycling process, and discovering nature by the Nile our students experienced hands-on learning at its best.

Each trip offered a unique opportunity to connect with one another and learn new things outside the classroom lessons.

Achievements

We are always proud of our students' achievements, either in

sports or other activities. To

celebrate these accomplishments, we have introduced a new

highlight on our Instagram page

called "**Achievements**" that

showcases our talented athletes,

creative minds, and all-around

achievers.

Upcoming News:

❖ **Admissions** for the next academic year will open on **November 1st** and close on **November 30th**.
