

ADMISSION PROCESS

For Krippe, Kindergarten and Vorschule

Dear Parents,

We are pleased to share an overview of the **2027/2028 admission process**. Please find below the key details and important dates for your information.

Online Application

The online application will be available through our website only. Once the application has been successfully submitted, you will receive an automated reply confirming that your application has been received.

- **Applications Open:** 1 November
- **Application Deadline:** 30 November

Assessments

Each child will attend a **one-day** assessment, scheduled on one of the dates mentioned below.

- **Assessment Dates:** 24, 25, 26 and 27 January
- **Assessment Duration:** 9:00 AM – 1:00 PM sharp

First Batch of Results

Following the assessments, applicants will initially receive one of the following communications:

1. A letter confirming that the applicant has **not been accepted** and extending our best wishes for their continued academic success.
2. An invitation letter to a **parents' meeting**.

Communicated on: 10 February

Parents' Meetings

The exact date and time of each appointment will be communicated directly to parents via email.

- **Period:** February and March

Final Results

We thank all families for their interest in SIS and wish every applicant continued success in their academic journey.

Final admission decisions will be communicated to parents via one of three official letters, confirming whether the applicant has been **accepted**, placed on the **waiting list**, or **not offered a place**.

- **Krippe (Pre-K):** 18 March
- **Kindergarten & Vorschule (KG1 & KG2):** 25 March

Registration

Parents of applicants receiving a final acceptance letter must complete the registration process by making the required payment and submitting all necessary documents by the deadline specified in the email. Failure to complete the registration by the deadline may result in the offered place being released.

We kindly ask parents to carefully follow all communication received via email throughout the admission process and to ensure that the email address provided during the online application remains accessible.

We thank you for your interest in **SIS Cairo West** and wish you and your child the very best throughout the admission process.

Best regards,
SIS Cairo West Admissions Team
